

Sell HEXBUG Micro Robotic Creatures

Your Robotics Team Earns Up to 100% Profit!

We know one of the biggest obstacles facing many schools and teams participating in high-end technology competitions is the financial cost and required fundraising. HEXBUG provides students with something new, interesting and different from typical fundraisers and will give your students a fun and exciting product to offer. We want your fundraising efforts to be successful and hope the innovative and fun HEXBUG will help your team achieve its goals.

HEXBUG is one of the most unique items available in fundraising.

Here are just a few reasons why:

They're cool, they're fun and they're great gifts.

They're a perfect icebreaker for students to talk about and promote their robotics program.

They're great to show and demo.

Adults and kids love them.

They provide GREAT profit margins to help your team reach its fund-raising goals, with a 40-50% PROFIT on every case.

Only a ONE CASE Minimum order.

We will give you FREE SHIPPING in the contiguous 48 states.

HEXBUG product will be delivered in 2-5 Business Days.

PROFITS

1. Buy bugs for as little as \$3.00 each. Sell each HEXBUG for \$6-\$20.
2. Each case sells for \$100-\$200.
3. You make \$50-\$110 per case (depending on the bug/quantity purchased).

That's 50-100% PROFIT!
